

EYFS Homework

Spring & New Life

These homework tasks are designed to be fun, inspiring and child directed. You must complete 2 tasks from the selection on the sheet. There is even a blank space if you want to add your own.

Summer Term 1
Celebration: 24.5.18

Your Task

Science/Maths

Research different types of minibeasts. Make lists of those with 2 legs, 4 legs, 6 legs, lots of legs and no legs. Which list has the most members?

English

Can you think of a minibeast or animal for every letter of the alphabet? Record it in any way you like. Make a book, a list or draw pictures.

Science

Choose a minibeast. Find out as much as you can about your creature and make a book or poster about it.

Art/DT

Draw or collage a picture of your favourite plant or flower. Use chalk, pencils, paint and other materials.

ICT

Design your own creature, minibeast or plant/flower on the paint programme in Purple Mash. Can you label it?

Trip

Visit a park or public gardens. Look for signs of Spring. How is the world changing? Look at the plants, animals, birds and minibeasts.
