

Y3 Homework

These homework tasks are designed to be fun, inspiring and child directed. You must complete 2 tasks from the selection on the sheet.

Rock and Roll

Spring Term 1

Homework celebration on:
Thursday 8th February

DT

Can you become a sculpture designer?

Create a sculpture of a rock, crystal or fossil you could use: playdough, clay, paper mache or you could choose one of your own materials.

ICT

Can you become a fossil reporter?

Research and create a poster or PowerPoint about a famous fossil or fossil finder. Use a computer program to present your work (e.g purple mash or PowerPoint.).

Maths

Can you be a domino designer?

Collect rocks and create a set of X table dominos by painting them. You can choose your X table.

You could paint on: dots, symbols or roman numerals to represent your numbers.

English

Can you be an adventurous writer?

Can you write your own adventure story or comic book about a fossil finder?

Art

Can you be an erupting artist?

Create a piece of art of a volcano. This could be done on a real life rock and painted on! Or you could use card or paper you decide!

Trip

Can you become a rock researcher?

Visit a place which has interesting rocks/ fossils. Take a photograph or write what you found out! This could be a manmade or natural place. Bring in any interesting rocks/ crystals/ fossils you find!
