

Y3 Homework

These homework tasks are designed to be fun, inspiring and child directed. You must complete a minimum of 2 tasks from the selection on the sheet. There is even a blank space if you want to add your own.

Summer Term 2

Homework
Celebration: **12th July**

English

Nature Novelists

Imagine a lost garden, overgrown and wild. Can you write an adventure story set in that garden?

DT

Green - fingered Gardeners

Draw out or create your own garden design for our school. Think about plants that are easy to look after and safe. Can you design it around a theme?

Science

Budding Botanists

Plant 3 seeds in separate containers and place them in different locations e.g. somewhere dark, light and cold. Remember to keep them watered and to record what happens to the seeds.

Your Task (Linked to our topic)

Computing/ Art

Garden Gamers

Can you create a garden theme game on Purplemash, Scratch?
Or you could make a board game using materials.

Geography

Crafty Cartographers

Design a map of a fantasy land, it could be from a book or your imagination!
