

These homework tasks are designed to be fun, inspiring and child directed. You must complete 2 tasks from the selection on the sheet or add your own task - have fun!

# Year 5 Homework

## Amazon Adventure

### DT

#### Build a biome!

Can you create a labelled model to show the different layers of the rainforest and some of the animals or plants that live there?

### Science

#### Container climate

Can you create your own mini rainforest in a container and observe the daily rainfall?

### English

#### Are you the next David Attenborough?

Research or observe first-hand the life cycle of a mammal, bird, amphibian, fish, insect or plant. Can you produce an informative power point, report or video about their birth and growth?

### Music

#### Rainforest Rhythms!

Can you compose and perform or record a piece of music to reflect the life of the rainforest?

### Your Own Task

### Summer Term 1

#### Homework Celebration:

Thursday 24th May 2018

### Maths

#### Wonderful weather!

Can you compare annual rainfall and temperature graphs for Preston, Brasilia and Dubai? Write a paragraph to show what you notice about the hottest and coldest months; months with most/least rainfall and weather patterns over the year.

### Geography

#### Brilliant Brazil .....

Imagine you work for the Brazilian Tourist Board. Design a poster or leaflet to persuade people to visit a city in Brazil or an area of the Amazon River basin.
