

PE & Sports PREMIUM 2018-19 OUTCOMES REVIEW & 2019-20 TARGETS

EVALUATION & IMPACT

We have had a very successful year in regards to sports and PE at Penwortham Primary School. Our objectives for the past academic year were:

- To increase the range of equipment provided for P.E. lessons.
- To develop more active minutes during the school day.
- To build on our success of providing a wider range of sporting opportunities.
- To develop the fundamental skills within each strand of sport.

The range of sporting/outdoor activities offered to pupils throughout 2018/19 is detailed below:

Extra Curriculum Coaching Sessions Funded by Sports Premium	Additional Sports/Outdoor Coaching
<p><u>South Ribble Sports Development</u></p> <p>Dance Key Stage 1</p> <p>Netball</p> <p>Tag Rugby</p> <p>Handball</p> <p>Rounders</p> <p>Tennis</p> <p>Scout Safe</p> <p>Bike Fix</p> <p>Bikeability</p> <p>Heart Start</p> <p>Dance from the Heart</p>	<p>Pro Skills Soccer</p> <p>Ju-Jitsu</p> <p>Swimming</p> <p>High 5 Netball</p> <p>Lancashire Affiliation Foundation Cricket</p> <p>Football (mixed KS1 & KS2)</p> <p>Futsal</p> <p>Outdoor pursuits: Hothersall Lodge— Year 5, PGL—Year 6, Chill Factor—Year 6</p> <p><u>Pro Skills</u></p> <p>Lunchtime multi-skills club KS1 & KS2</p> <p>Additional intervention of multi-skills (inactive KS1 & KS2)</p>

COMPETITIONS—SUCSESSES

Our greatest achievement this year has been in the determination and sportsmanship of our pupils. Overall we have had a very successful year with our biggest triumph being crowned the winners of the Penwortham Football League. Our running team consisting of Year 5 and 6 children were both the girls team, boys team and overall team winners; with the majority of our runners finishing in the top 15 runners in both races. Our Netball team also competed extremely well in their league matches.

I would like to thank all the children who have competed for the school this year. They have been a credit to the school and their parents. Their behaviour, sportsmanship and conduct has been excellent and has been commented on by staff from other schools.

OUTCOMES

- ***To increase the range of equipment provided for P.E. lessons***

We have purchased a vast amount of new equipment for use during P.E. lessons. These range from various sized balls for different fundamentals, to specialised gym mats to cover the hall for larger routines. We have also purchased new outdoor storage for outdoor P.E. sessions.

- ***To develop more active minutes during the school day.***

Following from a successful sponsored run event in school, during the year, we have introduced a 'Run a mile' routine and have begun to ensure children in Key Stage 2 participate in 10 minutes of running on a regular basis. We have also introduced active minutes through programmes such as 'Go Noodle' and 'BBC Supermovers' to engage children in short movement to break up their periods of sitting in class.

- ***To build on our success of providing a wider range of sporting opportunities.***

A majority of Key Stage 2 pupils, have participated in an activity/club provided by the school. This year 75% of our key stage 2 children attended clubs offered at lunchtime and after school.

- ***To develop the fundamental skills within each strand of sport.***

Within P.E. lessons this year, teaching has been more focussed on fundamental skills with a focus on the ABCs of P.E.

TARGETS FOR 2019/20

- To provide more extra curricular opportunities per half term with a wider range of sports to offer. (for example -1 extra South Ribble after school club)
- Develop the consistent engagement in active minutes as recommended by the Chief Medical Officer.
- Introduce the concept of a specialist teaching approach by a Sports lead teacher.
- Employ pupils as Sports leaders and develop active playtimes lead by them.
