briefing at
6.00pm

Thursday 6th
February – Moon
Viewing

Friday 7th
February – Year 2
Class Assembly

Tuesday 11th
February – Safer
Internet Day

Friday 14th
February – Year 1
Class Assembly

Dear Parents/Carers,

Please visit our school website this week; you will notice a couple of new photographs on the home page! Also, during the week, the next digital newsletter will arrive and thank you in advance for giving time to respond to our short questionnaire.

My Personal Best

This week in school, we continue to focus on **SELF-MOTIVATION**. In assembly this morning, Mrs Lambert introduced the Play Leaders, new equipment and lots of fun games to play at lunchtime.

Rewarding Good Behaviour

House Teams

Well done to WYRE – the winning house team this week.

Certificates

Congratulations to the children who received certificates in the celebration assembly this week.

Our proud children this week are:

Year 6

Alex, Alexander, Tess, Florence and Keshav

Year 5

Millie May and Alfie

Year 4

Ben, Lily, Liam and Harry

Year 3

Scarlett, Isobel and Jonah

Year 2

Ellie, Amaya and Jack

Year 1

Ahmed, Melody and Connie

Reception

George, Matilda, Jessica, Harry and Ronnie

The Stars of the Week this week go to:

Darcey
Thomas
Suzie
Lexi
Alex
Cora
James

Well done to you all.

Play Leader Training

Last Wednesday, twenty-three of our Year 5 and 6 pupils had training from South Ribble Sports Development Team. They were shown how to lead several sporting activities aimed at our younger children. From today, children will be taking part in fun games led by our Play Leaders during lunchtimes each day. Mrs Lambert was impressed by the enthusiasm and self-motivation the children demonstrated and is looking forward to the start of this exciting project.

School Council – Environmental Day

Last week, three of our School Council attended the WRIST School Council Conference at Brockholes. After learning about plastic pollution in our oceans; making banners written with mud and berries and learning more about animal habitats, we are armed with an action plan to make Penwortham Primary School a more eco-friendly school.

Stay and Play

Twenty-seven adults and thirty reception children – what a fun and busy morning we had! There were: rockets being made, a fabulous banner of the solar system in creation, dancing astronauts, snowman being built and underpants being coloured! Thank you to everyone for giving their time.

EYFS Team

School Gate

From the beginning of next week, the school gate on the carpark at the front of school will be locked each night. This should not affect any of our parents, but we wanted to let everyone know just in case of plans to drive into the carpark in the dark not expecting a gate!

Request for Old Toys

As part of the history topic in Year 1, the children are looking at how toys and games have changed over time. If you have any examples that the children could look at Miss Hastewell would be very grateful.

Lost Property

Lost property will be available in the library after school for one more week. Come and see if there is anything you can make use of.
