

# Penwortham Primary School

2<sup>nd</sup> July 2021

Year 1 class are studying robots this half term and made this friendly looking character. They have been busy writing their own stories which we are really looking forward to reading.

Welcome back to Year 3 and Year 4 after their self isolation periods. Please continue to be vigilant for signs of illness. We really don't want to lose a bubble at the very end of term!

<b>Thursday 1st July</b>	<b>Remote meeting for new reception parents</b>
<b>Friday 9th July</b>	<b>Year 6 outdoor and adventurous day and evening at</b>
<b>Hothersall Lodge</b>

<b>Tuesday 20th July</b>	<b>School closes for the summer holiday at 2pm.</b>

Unfortunately, this year, our Sports' Days will be without spectators but we will ensure there are lots of photographs and video put onto the website for you to see.

Year 6 pupils are working on an end of year production with some socially distanced help from their friends in other year groups. We are aiming to record a performance of this to share with parents and carers.

Pupils will have an opportunity to meet their new teachers for next year in the last full week of term. This will be done in line with our risk assessment to ensure that no bubbles are compromised and to ensure the safety of all staff and pupils.

We are constantly reviewing the situation in regard to Covid19 and therefore these plans are subject to change at short notice.

Thank you for your continued support in what has been a very challenging year.
