Penwortham Primary School

This week in school...

Thank you to everyone for taking the time and for all your effort in completing your new school logo designs. It was clear to see from the design entries how happy our children are in school and how much they value and take pride in being a much loved part of our school family. Together with our design team of experts we reviewed every single entry because as ever every voice and idea matters.

We are aiming to create a logo that captures all our pupils thinking and how they feel about our school. I will keep you updated on our new school logo journey.

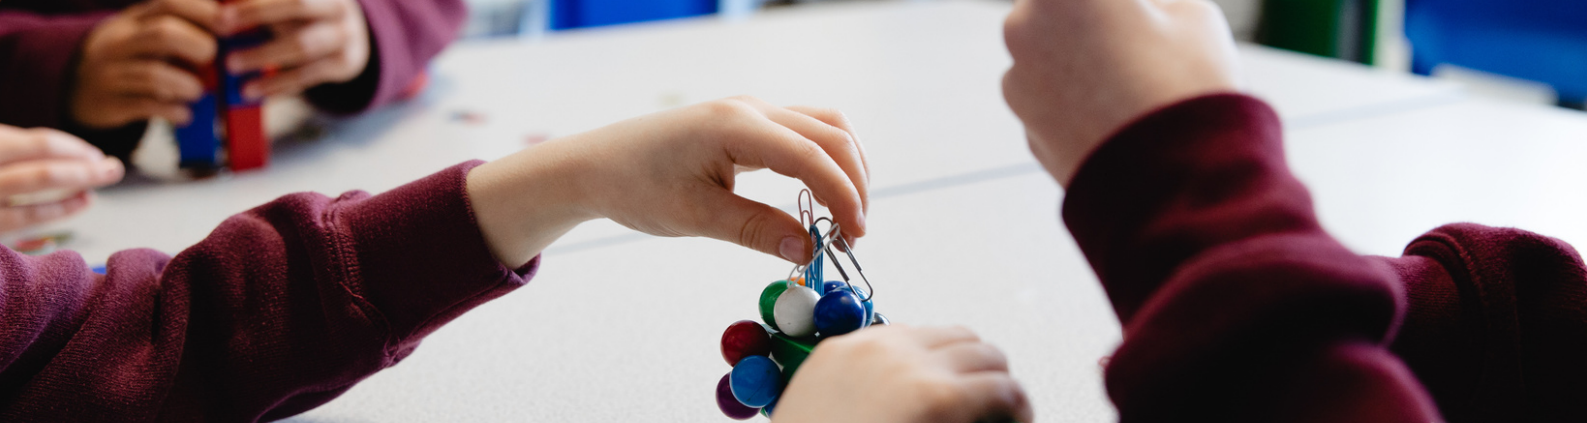

Thank you to the parents that have got in touch about sponsoring a new board design in school to continue to enhance our school for our children. The contributions you have made will have a massive impact to the school. If you know anyone that would like to sponsor one of our boards and help us please get in touch. Letters have been sent home explaining how you can get involved or if you would like to call in to see me to chat about ways you can help please do not hesitate to get in touch.

We have staff members and children who have an allergy to nuts. To ensure their safety we need to be nut free. Please will you ensure that lunches and snacks do not contain any nuts. Alongside many others, this will include Nutella, biscuits and some cereal bars.

VALUE OF THE HALF TERM - REFLECTION

believe you CAN, and you WILL

Priory Science Assembly

On Monday the science experts from Priory came to visit us and did an amazing assembly based on 'Reflection through the lens of Science'. The pupils asked some amazing scientific questions and as a school we were amazed and left with many wonders about our world. They shared a quote about imagination from Albert Einstein *"Imagination is more important than knowledge. For knowledge is limited, whereas imagination embraces the entire world, stimulating progress, giving birth to evolution."* We learnt that you can be good scientists by using your own imagination and continuing to be curious" Jess and Leo Y4.

Wishing our Yr 6 pupils the best of luck finding their secondary school place today

Year 5 - Taster Day

On Friday Year 5 enjoyed a visit to Penwortham Girls High School for a taster day along with other schools in the area. The pupils experienced a day in the life of a high school student and enjoyed a variety of lessons. We received glowing feedback that the behaviour of our pupils, as always, was outstanding and they were an absolute credit to our school. Well done Year 5!

DONATION DRIVE

If you have any unwanted books at home that are just sat collecting dust we would really appreciate any donations to re-use them in our library. Please bring any books you would like to donate to the school office where our children will make excellent use of them.

We are also still looking for board games. If you have any games you can please donate to school please bring these along to the school office also.

Dates for your Diary:

- 12.02.24 - 16.02.24 - Half Term
- 23.02.24 - Uniform Sale
