Penwortham Primary School

## Summer Term...

We hope you all had a lovely bank holiday weekend. It has been a short but busy week here at Penwortham Primary School, Rec & Y2 did a fantastic job working with clay earlier in the week, creating animal sculptures and tiles, Y1 created some amazing drawings of pumpkins, using continuous lines, Y3 have learnt about lighting and shadows, Y4 built their own water systems, Y5 had a visit from a STEM ambassador who showed the children how to build stomp rockets and Y6 have continued to make us all proud by blasting through their SATs revision ready for next week.

## Polite Reminder

Next week Monday 13th to Thursday 16th of May is our SATs week. We are asking that **all** pupils arrive to school promptly for morning registration to ensure the school is a calm environment and we have minimal disruptions. If your child is in Y6 please read the message Mrs Mather sent on spider earlier this week as this explains what school will be providing for the children before their SATs papers start each day. The children have been amazing over the past couple of months and they have all worked really hard to prepare.

## Be Careful...

Please take care when arriving at school during collection and drop off times as there may not be a crossing person to assist next week. LCC are keeping the school updated and looking to resolve this issue as quickly as possible.

## Welcome to the team...

We would like to congratulate Rachel Duke on becoming the newest member of our Penwortham family. Rachel will be joining the team as a member of the welfare staff and will start with us on Monday 13th May.
