Penwortham Primary School

And relax.....

This week we are dedicating our newsletter to our amazing Y6 class.

Every day they have impressed us all with their attitude towards taking their SATs and the commitment they have put into each day. We would like to say a huge thank you to Mrs Mather, Mrs Gaskell and Mr Wolfe for guiding and teaching the children leading up to this week, along with all of the staff and governors that helped out each day. The children had a special celebration day to show them how proud we are, with a takeaway pizza, a movie, a mystery hunt round school and a cricket tournament. What a way to finish the week!

Under the sea...

Our super artistic parent governor Christina Davis has completely transformed the Y1 cloakroom this week. Painting a fun sea theme for the children as part of the refurbishment works happening in the school. It has given the cloakroom a complete new lease of life. Thank you!!

Mental Health Matters...

As part of national mental health week Mrs Noblett delivered an inspiring assembly on Thursday, telling the children how they can look after our mental health and advice on speaking out if you need support.

Uniform reminder...

Mrs Lambert sent a message on spider earlier this week asking you to check your child has the essential items for their P.E lessons. Please view the message to see what is required on P.E days.

Please ensure **all** uniform is labelled clearly with your child's name. Any item of clothing that isn't labelled is sent to a lost property box as we cannot return to the item to the correct owner.
