Penwortham Primary School

Sports Day Success!

Mrs Lambert organised an incredible day for our school sports day. The children took part in a number of activities throughout the day: Sack race, long jump, water balancing, basketball, rocket dart throwing, traditional running & relay races.

It was fantastic to see all of the parent support despite the gloomy British weather.

Thank you for being patient with us as we tested out a new inclusive format this year and to those who took part in our parent races. We even managed a teacher race at the end with Mrs Lambert, Mr Clegg, Mrs Gaskell, Miss Penarski and Mrs Chatterton.

Our Friday celebration assembly was focused around sports day and instead of champion learners this week, certificates were awarded to pupils who stood out reflecting our school values:

Aspire - excellence, Belong - friendship/equality,
Care - respect/inspiration, Discover - determination/courage.

A huge thank you to Mrs Lambert for the inspirational team work and for all of the planning you put into the day. Well done to everyone who took part, You all certainly made it a day to remember!
