- Photography and Images Policy

Statement of Intent

At Penwortham Primary School, we strive to build a strong relationship with parents to help create a stimulating learning environment that continues from school to home, providing all pupils with the opportunity to achieve to the best of their ability.

To create a welcoming and safe learning environment, the school implements a specifically designed set of rules regarding behaviour and conduct which parents are expected to act in accordance with.

All staff members have the right to work without fear of violence or abuse; therefore, physical attacks, threatening behaviour, and abusive or insulting language towards staff members, governors, visitors, pupils or other parents may result in individuals being removed from the premises.

This document outlines the manner in which parents are expected to act whilst on the school premises, as well as detailing the type of behaviour that will not be tolerated.

Parents can request copies of all relevant policies and procedures from the school website.

3. Online Safety and Social Media Conduct

Our school expects parents to behave in a civilized nature online and will not tolerate any of the online behaviour:

- Posting defamatory content about parents, pupils, the school or its employees.
- Complaining about the school's value and methods on social media.
- Posting content containing confidential information regarding the school or any other members of its community, e.g. a complaint outcome.
- Contacting school employees through social media, including requesting to 'follow' or 'friend' them, or sending them private messages.
- Creating or joining private groups or chats that victimize or harass a member of staff, a pupil or groups of pupils or the school in general.
- Posting images of any staff members or pupils without their prior consent.

Parents' social media usage will be accordance with the school's Social Media Policy. The school retains the right to request that any damaging material is removed from social media websites. If parents wish to raise a complaint, the school has a Complaints Procedure Policy in place.

Breaches of this code of conduct will be taken seriously by the school and, in the event of illegal, defamatory, or discriminatory content, breaches could lead to prosecution. Parents are instructed not to post anonymously or under an alias to evade the guidance given in this code of conduct.

4. Online Messaging

The school expects parents to use messaging apps, such as Whatsapp, for purposes beneficial to themselves and the school, and will not accept any of the following behavior:

- Sending abusive messages to fellow parents.
- Sending abusive messages about members of staff, parents, pupils or the school.
- Sharing confidential or sensitive information about members of staff, parents, pupils or the school.
- Bringing the school or its staff into disrepute
- Communicating on behalf of the school.

The school appreciates the simplicity and ease of instant messages; keeping in contact outside of school can benefit the school community by keeping it closer. The school does not, however, condone parents sending messages about school as though a voice of authority.

Should any problems arise from contact over messaging apps, the school will act quickly by contacting parents directly, to stop any issues continuing. The school can request a meeting with parents if any misconduct, such as sending abusive messages or posting defamatory content, occurs online. The headteacher can, with the permission of the parent, view messages sent between members of the parental body to deal with problems quickly and effectively. The headteacher can request that 'group chats' are closed down should any problems continue between parents or parental bodies.

5. Driving pupils to school

Parents will proceed past the main gates to drop off and collect their children but only where road markings allow. Parents are not permitted, to stop, wait, drop off, or pick up pupils while parked in a prohibited area.

Residents' drives should not be blocked under any circumstances, even during short periods of waiting where the car is in use. Vehicles should be driven in a calm manner which causes least disturbance to residents.

Engines should be turned off when a vehicle is stationary and not in traffic as vehicle exhaust emissions contribute significantly to air pollution and are particularly harmful to children.

The schools crossing guard will be on duty from 8.30am to 9am and from 3.15pm to 4pm.

All pupils will wear a seatbelt at all times while they are dropped off and picked up. Parents will ensure pupils disembark vehicles safely at the correct stop and cross roads with care.

Parents are to use their discretion in severe weather and drive with extra caution as appropriate.

Pupils should not be collected late - all pupils are expected to be collected at 3.30pm. If a parent is delayed in picking up their child for any reason it is the parents responsibility to call an authorised adult to collect the pupil from school on their behalf.

Parents that are going to be late picking their child up from school and cannot arrange for an authorised adult to collect the pupil from school on their behalf should inform the school as soon as possible and children will be placed in after school club.

6. Inappropriate behaviour

The school takes instances of inappropriate behaviour very seriously and will not tolerate any circumstances that may make pupils, staff members and other members of the school community feel threatened.

Parental behaviour that the school does not tolerate includes, but is not limited to, the following:

- Using foul, abusive or offensive language
- Raising voices inappropriately at another individual
- Making racist or sexual comments
- Using aggressive hand gestures, e.g. raising fists and fingers
- Discriminating against any member of the school community, including pupils, staff, governors and other parents
- Bullying, harassment or intimidation, including physical, verbal and sexual abuse offline and online.
- Sending abusive, aggressive or threatening messages, emails or other communications to any member of the school community
- Trespassing on school property without prior permission or implied license
- Causing intentional damage to school property
- Breaching the school's security procedures
- Using physical violence on the school premises or on a member of the school community, e.g. hitting, slapping, punching, kicking and pushing

- Physically intimidating an individual
- Partaking in unnecessary physical contact with an individual
- Writing or posting abusive, offensive or defamatory comments about an individual or the school, including on social media
- Psychologically harassing any member of the school community, including displaying vexatious behaviour which is humiliating for the individual and is damaging to their self-esteem
- Displaying disruptive or other inappropriate behaviour which interferes or threatens to interfere with any of the school's operations or activities
- Approaching another parent or pupil to discuss or reprimand them because of an issue between pupils
- Threatening any member of the school community in any way
- Arriving on the school premises partially clothed
- Smoking on the school premises
- Taking illegal or harmful drugs while on the school premises
- Drinking alcohol on the school premises, unless it has been authorised and supplied by the school
- Taking photographs or videos on the school premises without permission from the school
- Driving unsafely within the vicinity of the school

7. Photography and Images

Parents may be permitted to take photos of their children at certain school events, such as sports day or during a theatre production; however, parents are only able to take photos of their own children, and should only share photos of their own children on social media.

Parents must not take photographs of other children, staff members or volunteers, nor post them on social media without the consent of those within the images or, where applicable, their parents. During events outside of school, such as dropping children off at the school gate, or whilst visiting the school, parents must not take photos of any members of the school community, nor share these photos on social media.

8. Responsibility

Parents are responsible for supporting the school by monitoring their own use of social media and online messaging. Parents must adhere to the Social Media Code of Conduct for Parents at all times. Parents are responsible for ensuring they support the school by monitoring their children's use of social media and online messaging. Parents must support their children in adhering to the Pupils Code of Conduct.

9. Managing inappropriate behaviour

If a parent is behaving inappropriately, a report will be made to the headteacher or the most senior member of staff available in their absence, who will decide on the most appropriate course of action.

Parents will raise concerns regarding another parent's behaviour or conduct directly with their child's class teacher or the headteacher and will not approach the parent themselves.

Instances of parents displaying inappropriate behaviour will be managed in a variety of ways, depending on the severity of the situation.

When a parent has behaved inappropriately, they will be invited to a meeting by the headteacher to discuss their behaviour and to attempt to resolve the issue. Where this initial meeting is not sufficient to resolve the issue, the headteacher, in collaboration with other staff and relevant agencies, will consider what further action may be required. This action, depending on the situation, could include the following:

- Barring the parent from the school premises
- Contacting the police
- Seeking legal redress through the courts
- Restricting the parent's channels of communication to the school, e.g. no longer allowing the parent to send emails to a staff member directly
- Reporting content the parent has posted online to the website's admin
- Referring the case to children's social care, where the behaviour indicates that the parent poses a risk to children

Any child protection and safeguarding concerns will be addressed in accordance with the school's Child Protection and Safeguarding Policy.

The school reserves the right to escort anyone off the premises who is displaying aggressive or disruptive behaviour. The police may be contacted to provide advice on managing an incident or to assist in the removal of an individual from the premises, where necessary. The police will be contacted where a parent is being violent or has committed assault, or where the event has caused harm to an individual.

If a parent has been previously barred from the premises, or has exceeded their implied access to the premises and is causing a disturbance, the police will be contacted to remove the individual from the premises.

If concerns are raised in relation to a parent's appearance or dress, personal factors will be taken into consideration, on a case-by-case basis, when addressing the concern.

If a parent persistently displays unacceptable and inappropriate behaviour, this may result in them being barred from the school premises, in line with the [Barring from the school premises](#) section of this policy.

10. Barring from the school premises

The school has the right to bar a parent from the premises to keep the school community safe. If a parent is displaying inappropriate or concerning behaviour, they will be asked to leave the school premises. Behaviour that could result in a parent being asked to leave the premises includes aggressive, abusive or insulting behaviour or language that is a risk to staff or pupils, or behaviour that is making staff or pupils feel threatened.

If a parent persistently or consistently behaves inappropriately on the school site, or there is a one-off incident of extremely inappropriate behaviour, the school reserves the right to bar this individual from the school site.

The school will either:

- Bar the parent temporarily, until the parent has had the opportunity to formally present their side.
- Inform the parent that they intend to bar them and invite them to present their side.

The headteacher will send a letter to the parent, informing them of the following information:

- Why they have been temporarily barred or face a bar
- The nature of the bar, i.e. if they are temporarily barred pending their representation or if they must present their side before the decision to bar can be made
- That they have the right to formally express their views on the decision to bar in writing to the chair of governors within 10 working days

The headteacher's decision to bar the parent will be reviewed by the chair of governors.

The chair of governors will take account of any representations made by the parent and decide whether to confirm or lift the bar. The parent will be notified in writing of the decision to uphold or lift the bar.

If the decision is confirmed, the parent will be notified in writing, explaining:

- How long the bar will be in place.
- When the decision will be reviewed.

Decisions to bar will be reviewed at the end of the agreed timescale, in line with the process outlined above. Following a review, the bar may be lifted or, if there are grounds for continued concern regarding the parent's conduct, it may be extended.

Once the appeal process has been completed, parents that remain barred may be able to apply to the Civil Courts. If a parent wishes to exercise this option, they will be advised to seek independent legal advice.

11. Monitoring and review

This document will be reviewed on an annual basis by the headteacher and any changes made will be communicated to all parents and staff at the school.

The next scheduled review date for this document is September 2026.

All parents will be provided with a copy of this code of conduct upon their child's attendance at the school, and are required to familiarise themselves with the procedures and guidelines outlined.
