### Learning in EYFS

Our children learn through active play which may be adult led or child led. Pupils have access to indoor and outdoor activity areas of continuous provision.

The EYFS framework is structured differently to the National Curriculum and is organised across seven areas of learning rather than subjects. However, these areas of learning prepare children for National Curriculum subject learning as they move into Year 1.

This document demonstrates the statements from 2020 Development Matters which are pre requisite skills for **RE** in the National Curriculum. It shows the relevant statements taken from the Early Learning Goals.

The most relevant statements for science are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Understanding the World

<b>Personal, Social and Emotional Development</b>			<ul style="list-style-type: none"> <li>• See themselves as a valuable individual.</li> <li>• Think about the perspectives of others.</li> </ul>
